

BARBARA

PIRAN BEACH HOTEL & SPA

LOCATION

Resort Barbara Fiesa lies in the most beautiful, greenest and quietest part of the Slovenian coast. It is situated in the bay between Mediterranean town Piran and Strunjan.

It is known also for its two lakes that were in 1989 listed in an inventory of the most important natural heritage in Slovenia and the municipal decree has declared it as a "natural monument".

RESORT BARABARA FIESA IS:

"What a transformation!"

We've been in this hotel about 5 years ago; as a young couple we wanted to enjoy beach, but not in a crowded city. Back then it was a bad experience, not to say anything worse. But now – it is like a new world; colours are bright, rooms luxury but not expensive, everybody smiling, great vibe in the hotel and on the beach. We are going to be a regulars guests now!

"Super relaxing vacation"

Everything was smooth right from the arrival. We were in one of the brand new rooms, where you have a feeling, that you sleep in a villa! Huge balcony with sunbeds, we've got a refreshing welcome drink and on first day we've rented a cabana on the beach. Best decision ever!!

"3 stars are few!"

It is a modern hotel in a peaceful bay, but with a lively beach with even water sports centre! I went for several treatments in their spa and the therapist has been amazing! Great food, good drinks, lovely rooms and friendliness. City centre just a couple of minutes walk. I could stay in this hotel forever!
